INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Free Clinic of Southwest Washington
Vancouver, Washington

Opinion

We have audited the accompanying financial statements of Free Clinic of Southwest Washington (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Free Clinic of Southwest Washington as of June 30, 2022, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Free Clinic of Southwest Washington and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Free Clinic of Southwest Washington's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors
Free Clinic of Southwest Washington

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Free Clinic of Southwest Washington's internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Free Clinic of Southwest Washington's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

Free Clinic of Southwest Washington's 2021 financial statements were audited by other auditors who expressed an unmodified opinion on those audited financial statements in their report dated November 9, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Portland, Oregon October 25, 2022

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE A - DESCRIPTION OF ORGANIZATION

The Free Clinic of Southwest Washington (the "Free Clinic" or the "Organization") is a nonprofit corporation located in Vancouver, Washington. The Organization provides and facilitates access to free, compassionate, quality health care for community members who are otherwise unable to obtain such services. The majority of those served lack access to health care as they cannot afford medical insurance and do not qualify for government assistance programs. A unique feature of the Free Clinic is that all medical services are provided by over 400 professional, technical and clerical volunteers. Donations fund nearly all operations.

The programs of the Free Clinic include -

- Basic Health Provides basic medical services at the Free Clinic. Services additionally include health screenings, medication assistance, lab, medical imaging, immunizations, and basic vision services which include ophthalmology and optometry. Medical services under this program include assisting patients with certain chronic conditions manage their health and improve their condition through dietary and lifestyle modification.
- Project Access Provides access to specialty medical care services in the community through a coordinated network of participating professional medical specialists, hospitals and ancillary providers. Project access care coordinators pre-screen clients for eligibility and assist clients in navigating the health system.
- Dental Provides urgent dental services to alleviate pain and infection, and fillings to arrest decay. Dental staff refer patients needing more specialized services to a network of dental providers, who provide care in their own facilities.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Adoption of New Accounting Pronouncements

During the fiscal year ended June 30, 2022, the Organization adopted ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The purpose of the ASU 2020-07 is to clarify the presentation and disclosure of contributed nonfinancial assets with an intention to provide the reader of the financial statements a clearer understanding of what type of nonfinancial assets were received and how they are used and recognized by the not-for-profit. It is important to note that the ASU 2020-07 did not change the accounting and recognition of nonfinancial assets but rather the presentation and disclosure requirements in the financial statements.

Basis of Accounting

The Organization prepares its financial statements on the accrual basis of accounting, which recognizes revenue when earned and expenses when incurred. Transactions are classified according to the existence or absence of donor-imposed restrictions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

- Net Assets Without Donor Restrictions Net assets that are not subject to donor-imposed stipulations. The Board of Directors may designate net assets without donor restrictions for specific purposes.
- Net Assets With Donor Restrictions Net assets either subject to donor-imposed stipulations that will be met either by actions of the Organization and/or the passage of time, or net assets with donor restrictions that are not subject to appropriation or expenditure.

Expenses are reported as a decrease in net assets without donor restrictions. Gains and losses are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expiration of net assets with donor restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

Cash and Cash Equivalents

The Organization considers all liquid investments having initial maturities of three months or less to be cash equivalents. Cash and cash equivalents held for long-term investment purposes are excluded from cash and cash equivalents and are included in investments. The Organization maintains cash in bank deposits which, at times, exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Investments and Fair Value Measurements

Investments are reported at fair value and are the only assets measured at fair value on a recurring basis. Valuation techniques used to measure fair value are prioritized into the following hierarchy:

- **Level 1** Quoted prices in active markets for identical assets.
- **Level 2** Quoted prices for similar assets in active or inactive markets, or inputs derived from observable market data by correlation such as appraisals or other means such as calculations based on contractual rates and published tables.
- **Level 3** Unobservable inputs that reflect management's assumptions and best estimates based on available data.

Investments in mutual funds are carried at fair value based on quoted prices in active markets in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable are recorded monthly as the related services are provided and billed. Management periodically assesses the need for an allowance for doubtful accounts based on historical experience and existing conditions affecting probable collection. Receivables are considered impaired if unpaid balances are not received in accordance with the contractual terms. It is the Organization's policy to charge off uncollectible receivables when management determines the receivables will not be collected.

Contributions

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions with donor restrictions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. Otherwise, when a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Contributions received with donor-imposed conditions and restrictions that are met in the same reporting period are reported as support without donor restrictions and increase net assets without donor restrictions.

Functional Allocation of Expenses

The costs of program and supporting services have been summarized on a functional basis in the Statement of Activities. The Statement of Functional Expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include occupancy, which is allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, professional fees, depreciation, amortization, insurance and office expenses, which are allocated on the basis of estimates of time and effort.

Property and Equipment

Property and equipment is stated at cost less accumulated depreciation computed on the straight-line method over the estimated useful lives of the various assets. Expenditures for additions, major renewals, and betterments are capitalized, and expenditures for repairs and maintenance are charged to income as incurred. Donated assets are reflected as contributions at their estimated fair value at the date of receipt.

Capital assets are reported at cost when purchased and at fair market value when acquired by gift. The Free Clinic capitalizes fixed assets costing at least \$1,000. Equipment is depreciated using the straight-line method over the estimated useful lives of the assets, which is generally 5 to 15 years. Leasehold improvements are amortized over the life of the lease

Income Taxes

The Organization has been approved as a tax-exempt organization under the Internal Revenue Code 501(c)(3) and applicable state laws. Accordingly, no provision for income taxes is included in the accompanying financial statements. The Organization does not believe it has unrelated trade or business income in excess of \$1,000.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Reclassification

Certain prior year balances in the accompanying financial statements have been reclassified to conform to the current year presentation.

Prior Year Summarized Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class or natural expense classification by function. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2021, from which the summarized information was derived.

NOTE C - INVESTMENTS

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022

NOTE C - INVESTMENTS (CONTINUED)

The changes in investments valued using Level 3 measurements are as follows:

Beginning balance	\$ 56,324
Unrealized loss on investments	 (7,025)
Total Investments at fair value	\$ 49,299

The Free Clinic did not provide variance power to the Community Foundation. Earnings can be withdrawn upon written request of the President and Treasurer of the Free Clinic and can be payable only to the Free Clinic. The Free Clinic must provide the Community Foundation at least three months notice for a withdrawal of all or a portion of the principal and at least 180 days notice for a withdrawal that exceeds \$100,000.

NOTE D - GRANTS AND CONTRIBUTIONS RECEIVABLE

Grants and contributions receivable at June 30, 2022 represent unconditional promises to pay. The receivables are expected to be collected during the year ending June 30, 2023.

NOTE E - ENDOWMENT

Interpretation of Relevant Law

The Uniform Prudent Management of Institutional Funds Act (UPMIFA) has been enacted by the state of Washington. UPMIFA eliminates the historic dollar value threshold, an amount below which an organization could not spend from an endowment fund and establishes a set of prudent management and investment standards for boards to follow when managing endowment funds. Under UPMIFA, The Organization may spend so much of an endowment fund as it considers prudent, regardless of whether the fund is below its historic dollar value.

A donor's intent to maintain an endowment in perpetuity must still be considered and the fund managed accordingly. However, the Organization retains variance power over its endowment assets. The Organization's organizing documents and fund agreements set forth the power to modify any restrictions or conditions on distributions from funds if, in the Organization's judgment, such restrictions or conditions become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the area being served.

The Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the fund, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) The Organization's investment policies.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE E - ENDOWMENT (CONTINUED)

Overview of Endowment Funds Spending Policy

The Board of Directors of the Free Clinic recognize their responsibility to manage all funds entrusted to the Endowment Fund in a prudent manner, with the understanding that the primary purpose of these funds is to meet the long range needs of the Free Clinic. These policies are intended to assure the optimum investment opportunity for all of the money received, whether funds are to be expended in the short or long term. A portion of the Endowment Funds may be needed annually; however, the Finance Committee shall determine each year, based on the annual budget, whether any of the Endowment Fund will be needed for the upcoming year.

The annual expenditure from the Endowment Funds shall generally be equal to not more than 5% of the average ending balance in the Endowment Funds as of the end of the prior three fiscal years. To the extent such funds are not needed for operations, such amounts may remain in the Endowed Funds account to continue to grow for future needs. None of Endowment Funds were appropriated for expenditure during the year ended June 30, 2022.

Changes in endowment net assets at June 30, 2022, consist of the following:

	_	With Donor R	_	Total Net	
		Accumulated		Endowment	
	_	Gains	Corpus		Assets
Endowment net assets, June 30, 2021 Investment return:	\$	243,425 \$	250,255	\$	493,680
Net investment return		(62,725)	_		(62,725)
Total investment return	-	180,700	250,255		430,955
Contributions		-	950		950
Appropriations for expenditure	_		-		-
	_	<u> </u>	950		950
Endowment net assets, June 30, 2022	\$	180,700 \$	251,205	\$	431,905

NOTE F - BOARD DESIGNATED FUNDS

The Board of Directors has set aside \$100,000 as a board designated reserve to be used for general operations in the event of unexpected circumstances. The reserve is meant to ensure the ongoing operation of services in the event of an unexpected drop in revenues, and is not intended for current operations.

NOTE G - IN-KIND CONTRIBUTIONS

The Free Clinic receives a significant amount of in-kind donations from volunteers with specialized clinical skills, as well as supplies and donated facility space. Without these non-financial donations, the Organization would not be able to provide programming to the community.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022

NOTE G - IN-KIND CONTRIBUTIONS (CONTINUED)

During the year ended June 30, 2022, \$361,403 of contributed medical services were recorded as follows:

Project Access – Valued at Medicaid reimbursement rates	\$ 61,312
Monthly Health Volunteers – Valued at US Department of Labor rates	 300,091
	\$ 361.403

The Free Clinic also receives in-kind contributions of medical supplies and other items which are recorded when there is an objective basis upon which to value those contributions and where the contributions are an essential part of the Organization's activities. During the year ended June 30, 2022, \$1,854 of contributed medical supplies and other items were recorded.

The Organization received office space valued at \$89,520 in-kind from Vancouver School District No. 37. The terms of the agreement require that the Organization pay only for its allocated share of monthly utilities based on the Organization's square footage. The Organization is also responsible for all insurance, janitorial, maintenance, repairs and taxes on their portion of the facility. The School District has agreed to provide space through 2030, although it may end the lease with one year written notice to Free Clinic.

NOTE H - PROPERTY AND EQUIPMENT

Leasehold	\$	614,918
Office equipment		79,568
Clinic equipment	_	85,189
		779,675
Less accumulated depreciation	_	(521,105)
	\$	258,570

Depreciation and amortization expense for the year ended June 30, 2022 was \$30,240.

NOTE I – RETIREMENT PLAN

The Organization sponsors a SIMPLE IRA for the benefit of its employees. The Organization contributes 3% of eligible compensation to the plan. Employees may make contributions to the plan up to the maximum allowed by the Internal Revenue Code. The Organization contributed \$7,463 for the year ended June 30, 2022.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022

NOTE J - NET ASSETS WITH DONOR RESTRICTIONS

Net assets restricted for purpose at June 30, 2022 consist of the following:

Subject to donor restrictions, Organization's		
endowment policy, UPMIFA and appropriation:		
Donations to perpetual endowment	\$	251,205
Unappropriated endowment earnings		180,700
Total donor restrictions subject to appropriation		431,905
Subject to expenditure for donor specified purpos	e:	
Project Access		24,379
Dental Program		20,715
Basic Health Clinics		57,019
Access to Care Fund		32,969
Outreach, fund raising, and team building		21,976
Total donor restrictions subject to purpose		157,058
Total wat a sate with day on a striction	Φ.	500,000
Total net assets with donor restrictions	\$	588,963

NOTE K - CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and certificates of deposit. At June 30, 2022, all cash on deposit with banks covered by the Federal Deposit Insurance Corporation (FDIC) was insured. At June 30, 2022, \$281,809 held in the Vanguard Federal Money Market Fund is a cash equivalent, and is not FDIC insured.

NOTE L - LIQUIDITY

The following chart represents the Organization's financial assets available to meet cash needs for general expenditures within one year of June 30, 2022:

Financial assets at year-end Cash and cash equivalents Investments Accounts receivable Grants receivable Total financial assets	\$ 615,021 2,062,762 6,012 25,000 2,708,795
Less amounts unavailable for use within one year due to:	
Purpose restriction by donor Board-designated reserve Endowment fund Total unavailable financial assets	(157,058) (100,000) (431,905) (688,963)
Financial assets available to meet cash needs for general expenditures within one year	\$ 2,019,832

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

June 30, 2022

NOTE L – LIQUIDITY (CONTINUED)

The board has not apportioned any endowment funds for expenditure for the year ending June 30, 2022.

It is the policy of the Free Clinic to keep sufficient funds on hand in order to meet its current operating needs. Cash in excess of daily requirements is invested in certificates of deposit, money market funds and short-term investments consisting of actively traded mutual funds sponsored by major mutual fund families, which are registered with the United States Securities and Exchange Commission (SEC). Management prepares a monthly cash flow projection at the beginning of each fiscal year. Liquidity sufficiency for future monthly, quarterly, and annual needs are monitored by the Organization's management, Finance Committee, and Board of Directors.

NOTE M - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 25, 2022, which is the date the financial statements were available to be issued.
